

Job Posting: Drama Instructor

ORGANIZATION

Camp Kirk is a registered charity that provides residential programming for children who have learning disabilities, attention deficit disorders, and high functioning autism. We offer a nurturing and non-competitive environment that emphasizes strengths and builds confidence. We provide a community experience that promotes strong mental health so that our campers can lead productive, meaningful and happy lives.

JOB DESCRIPTION

Drama has proven to be a great outlet for our population of kids with exceptionalities and for this reason, we aim to have our drama program take a central role in our daily camp life. We infuse skits, plays, storytelling etc. throughout each session above the scheduled drama periods. To accomplish this goal, we require a highly engaging, motivated and creative individual who is up for the challenge of creating and facilitating a dynamic drama program for groups of children aged 6-16. Decisions regarding the structure and activities of the program will be the responsibility of the individual in charge, but it is important to note that all our programming is recreational and non-competitive.

In addition to their program areas, all program staff are involved with the planning and facilitation of all-camp activities in the evening. As well, when available, program staff are assigned to provide extra support to either individual campers or cabin groups who require it or around camp as necessary.
