

## Job Posting: Ecology Instructor

### ORGANIZATION

Camp Kirk is a registered charity that provides residential programming for children who have learning disabilities, attention deficit disorders, and high functioning autism. We offer a nurturing and non-competitive environment that emphasizes strengths and builds confidence. We provide a community experience that promotes strong mental health so that our campers can lead productive, meaningful and happy lives.

### JOB DESCRIPTION

The Eco Instructor is responsible for planning and facilitating programming that engages campers aged 6-16 with the natural world. Whether this is through free exploration of our Bucky Mucky Swamp or a guided whole-group activity, we hope to inspire a nature connection in our campers and we hope to do so in a fun and engaging manner.

The Eco Instructor is part of the program staff team. In addition to their program areas, all program staff are involved with the planning and facilitation of all-camp activities in the evening. As well, when available, program staff are assigned to provide extra support to either individual campers or cabin groups who require it or around camp as necessary.

### CONTRACT DETAILS

The dates of employment run from **June 18th until August 27th**. All staff members reside at camp and Room and Board is provided over and above the salary. The summer salary for first-year staff is \$3240.

### REQUIREMENTS

- 19 years of age by June 18th
- Knowledgeable and passionate about the natural world
- Strong facilitation skills and previous experience leading group activities
- Previous experience working with children
- Previous experience working with individuals with exceptionalities is an asset
- CPR and Standard First Aid certification
- A current Criminal Record Check
