Donating Appreciated Securities

To donate your gift of stock to Camp Kirk please email as an attachment or mail this completed Gift of Securities Form to your broker or advisor who is responsible for initiating the transfer.

In order to facilitate a transfer of securities and to ensure you receive your official tax receipt, please return a copy of the completed form (page 2) to Camp Kirk by email attachment or by mail. **Please Note:** This step is very important as securities are transferred anonymously into our account. Notifying us of this transfer will ensure you receive your official tax receipt. Unexpected and/or unidentifiable transfers may cause a delay in gift recognition and receipting.
